

Yili Njindiwan

Case Management & Client Services

Yili Njindiwan supports our clients in their journey of recovery, homelessness, violence, financial hardship, isolation and any other barriers they may be facing; As well as working closely with all the other programs in Waminda, we continue to advocate and draw on our collaborative partnerships we have nurtured with the many services in the area. Our team works from a strengths based practice and combine their skills to provide a holistic, wrap around service for our women and their families.
