NATIONAL CONFERENCE AGENDA

40 YEARS OF ABORIGINAL WOMEN IN LEADERSHIP

About Our Conference

Waminda South Coast Women's Health and Wellbeing Aboriginal Corporation proudly invites you to celebrate 40 years of Aboriginal Women in Leadership as host of the "Strong Women. Strong Community. Leading the Way." conference in Nowra, NSW. Waminda grew from a vision and need Community Women saw to create safe spaces for Aboriginal Women's health and wellbeing on the South Coast. Since its first inception as Jilimi in 1984 and through its transition into Waminda one thing has held true; the privileging of Aboriginal women's voices and the leadership of strong, staunch and nurturing Community Women. This has led to the incredible milestone of Waminda's operation in community for 40 years.

During the conference, Waminda's Chief Executive Leadership team, keynote speakers, Waminda Program Managers and Coordinators, along with Community leaders in the Aboriginal women's health and wellbeing space will take you on a journey of looking back to celebrate how far Waminda has come: whilst giving insight into the now, and inspiring what is emerging in Aboriginal women's leadership, health, and wellbeing from across the country.

We look forward to welcoming you into these spaces and yarns throughout the "Strong Women. Strong Community. Leading the Way." Conference this September 2024.
